Career objective

Seeking a top-level position to begin my career in a high-level professional environment.

Career Summary

I have a Bachelor degree in Business Administration (BBA) from the National University of Bangladesh, and I recently completed my M.Sc in Applied Statistics and Data Science at Jahangirnagar University. During my academic journey, I gained expertise in web programming. I am proficient in Python, PHP, SQL, R, and JavaScript, and possess strong design and integration skills, coupled with intuitive problem-solving abilities. I strive to succeed in data science and web development.

Professional Skills

- **Front-End & Back-End Development**

- **eCommerce Web Development**

- **Laravel, Django Web Development**

- **Payment Integration**

- **Web/Data Analysis**
